Dear Ms. Gillmore:

Thank you very much for your proposal, in response to Dane County RFP #113066, to operate a Day Resource Center for Dane County. Yours was the only proposal we received for this initiative.

As you may know, we received two proposals in response to the RFP for a site for the center, and neither location was within the geographic area we desired. One was too small based on the criteria we were looking for, and the price of one was beyond what had been budgeted.

In light of these considerations, at this time we are not going to pursue these sites, since the two proposals didn't meet the criteria of the RFP. Since we don't have a site at this time, we are not going to move forward with contracting for an operator.

We will be reviewing other options in the hopes of moving the day resource center forward.

Please let me know if you have any questions or need additional information.
